All of us at 3Strands Global Foundation hope your summer is going well and you’re able to spend time with loved ones.

As someone who shares our vision of a world FREE of human trafficking, you understand the vital importance of education, early intervention, and engagement in preventing the exploitation of children and adults. We are excited to share the remarkable strides 3Strands Global Foundation has made in preventing human trafficking and supporting survivors. This is only possible with your unwavering support, and for that, we are profoundly grateful.

This summer, we’re presented with a unique opportunity: an anonymous donor and 5 Star Bank have generously offered to match every donation we receive, dollar-for-dollar, up to $20,000. This means that your contribution will have DOUBLE the impact, enabling us to further extend our reach and intensify our efforts.

Our programs have continued to transform lives and communities. The PROTECT program has empowered over 800,157 students and 114,822 adults with the knowledge to identify and prevent human trafficking. Our TATE program has trained 950 telecommunications professionals across 100 different companies to recognize signs of human trafficking. Additionally, our Employ + Empower program has served over 840 clients, connecting them to thousands of services and resources each year.

Our goal for the summer is to fund the PROTECT program. As we approach the milestone of reaching ONE MILLION students through PROTECT, your support is more crucial than ever. Every dollar you donate will help us achieve this goal, and with our matching donation, your impact will be doubled.

Whether you’re a longstanding supporter or considering giving for the first time, know that your contribution makes a significant difference in the lives of those we serve.

Please make your generous gift by August 31, 2023 to take advantage of the matching donation. You can donate by visiting our website at 3sgf.org/hope or by mailing a check to:

Thank you for standing with us in our mission to combat human trafficking. Together, we can create a world where freedom is not a privilege but a right enjoyed by all. Let’s Educate to empower.
